

## Hopping Brook Park

Location: Rte. 16 to Hopping Brook Road (Approx. 2 miles east of Rte. 495, 8 miles west of downtown). Hopping Brook Park has been developed in two phases and encompasses approximately 350 acres. Phase I construction began in the mid-1980's. It is comprised of 25 sites and is built out. The park has public water and underground utilities and provides employees direct access to the multi-use Upper Charles Trail. Phase II infrastructure is currently under construction.
